C.A.R.E.S. is pleased to announce that we have filled the newly created position of Shelter Manager. And the good news is that the best candidate was "right in our own back yard".

WELCOME TO LAURALEE PORTER

our new full time Shelter Manager.

Lauralee has been volunteering for C.A.R.E.S. for many years and with her experience, knowledge, dedication and love for the cats, we are excited that she is on board. Lauralee will be working full time Tuesdays to Saturdays at the shelter and PetSmart. We are pleased that Ginette will continue to work at the Shelter on Sundays, Mondays and Tuesdays. Lauralee says she is looking forward to her new responsibilities and she

is excited to be working daily with so many dedicated and hard working volunteers. For all the shelter volunteers, it will be "business as usual" - other than Lauralee will be taking over the responsibility from Carol Briner for the scheduling of the morning crew and the Kitty Kissers.

By creating this new position, C.A.R.E.S. will be able to help many more cats in need and in turn adopt more cats to loving homes. We would like to take this opportunity to thank Lauralee for the many, many hours she has worked tirelessly as a volunteer. We are looking forward to a bright future for the Shelter with her on board as Shelter Manager.

Your Board of Directors.

NEW DIRECTORS for C.A.R.E.S.

Michelle Ondang has resigned from the Board to free up time to be with family. We are pleased that Michelle will still be involved with C.A.R.E.S. as an adoption volunteer at PetSmart and we thank her for all her work as a Board member. As the new Shelter Manager, Lauralee Porter has also resigned from the Board. Therefore, we are pleased to welcome 2 new Board members, Lisa MacDonald (who will no longer work at the shelter on weekends) and Wendy McPhee. Lisa brings a wealth of experience working with the cats and she will be helping with our Foster Program. Wendy, along with her daughter Amanda, has been volunteering at our Adoption Centre for 2 years.

Welcome to both - we are looking forward to working with you!

C.A.R.E.S. mission is to rescue, shelter and find loving homes for stray, abandoned and unwanted cats.

Sending e-mail communications enables us to provide news and information in a timely and cost effective manner, ensuring that money goes where it matters most - the cats.
